

## Joseph Ostafi IV joins HOK's St. Louis office

Joseph Ostafi IV joined HOK's St. Louis office as vice president and north central regional leader of the architecture firm's science and technology group.

Ostafi's focus has been in the design of science and technology research and development laboratories.

Among his past clients include Oak Ridge National Laboratory, Caterpillar,

and Pfizer.

A graduate of the University of Cincinnati's School of Design, Art, Architecture and Planning, Ostafi is a member of the American Institute of Architects and the U.S. Green Building Council, as well as a LEED accredited professional.
